For more information please read the reverse of this form.

The Wellington Chinese Garden Society invites all Chinese families, businesses, societies and organisations, as well as the general public, to donate generously in order to bring the Garden of Beneficence into reality. It is important that we as a community contribute significantly to the building of this garden.

By donating now, you will enable us to reach our fundraising target and to commence construction as soon as possible. Alternatively, a pledge can be made now to donate with payment deferred until the beginning of the construction phase. However, a delay in raising funds will impact on the timeframe of the project.

We welcome and will acknowledge all donations and they will be held in a separate Trust account until construction commences. For donations of \$1,000 or more, your name will be inscribed on the Donor Recognition Panel to be located at the entrance to the Garden. We encourage you to consider contributing generously to this permanent legacy. The Wellington Chinese Garden Society is a registered charity (# CC 23341). All donations accompanied by a donation form will be receipted and are eligible for a tax credit.
